

SPECIALTY BLENDS

Blending beans is not by chance but a matter of considered initial concept in mind with structural assignment of the hues, the eddies and balances of taste to fulfill the final complex profile. Just like fine wine...yes, these benchmark blends can take weeks, some months, others more than a year to complete. Slurping and spitting is serious work around the Jasper Coffee daily cupping bench!

BLEND #1

The first blend we ever made. We still regularly run this at our own café. Customers rave about its rich flavour and body. A rich, full coffee of medium strength with an early bite and a sweet, long, aromatic finish.

BLEND #2

One of our favourite combinations. An earthy dense body, with a long creamy smooth, hazel-nutty finish.

BLEND #3

A mellow blend for those who prefer a brighter taste, with a clean, long, sweet blackcurrant finish. Beautiful with Breakfast. Coffee to Keep in the House.

BLEND #4

In 1989 when we wanted a blend to be definitively strong, with a bite and a complex fullness to follow... along came our answer. If you like yours black and strong here's your choice already made. Definitively strong with a bite to begin and a full bodied complexity to finish. Espresso Excellence!

BLEND #5

An exceptional blend of the World's top Arabica beans creating a velvety smooth sweet liqueur. This is one of our most popular coffees, emphasising that most Australian tastebuds prefer sweeter, smoother coffees. In quality it is unsurpassed. Luxury!

BLEND #6

Deep, strong and smooth with a slight chocolate finish, for a Kick Start or a Fine Finale any day. We spent a long time developing this blend and have created a wonderful classic coffee no matter how you brew your cuppa!

BLEND #7

Nutty complexity, with a long memorable zing of the Supreme Sumatra Lintong. Great for the long afternoon catch up.

BLEND #8

Dense, dark and brooding for the adventurous coffee drinker. As you swallow you are rewarded with a wonderful rich mouthfilling flavour. Take this with any amount of milk, anywhere, anytime.

BLEND #9

A Blend with Finesse! This winy silky liqueur, offers spicy and nutty tastes.

BLEND #10

On Saturdays we have the Blend Ten brigade marching into our stores for their weekend coffee - they can't be swayed. Very rich, very rounded, very chocolatey, very aromatic, very damn good!

AFRICAN SANCTUS

Piberry beans are sweet and succulent. This blend has three different piberry beans from New Guinea, Australia and Kenya, all of them are quite rare. The taste is wonderful, so sweet and with such an aroma you will have the neighbours inviting themselves around for a cup.

CAFFEINE CLUB

Raved about by the Brunswick St Caffeine Clubs...Dense caramel with a dry cocoa finale.

SPECIAL RELEASE

These rare elixirs of the highest quality are highly sought after by coffee connoisseurs around the world. Below is a list of frequent releases, however MORE single batch Estate coffees are released throughout the year. Ask at a Jasper concept store or journey to our website for the current release.
